

DISSERTATION FORMAT INSTRUCTIONS TO BE READ CAREFULLY

Guidelines for the Preparation of Dissertation on Project Work in Final Semester

1. Front cover page should be in **Sky Blue color** and thesis must be in **Hard Binding**. No **spiral** will be accepted.
2. All the sub headings must be in **Times New Roman, 14 font sizes**
3. The text of the thesis must be in **Times New Roman, 12 font sizes with 1.5-line spaces**.
4. All the figures and tables used in text must be cited properly and in serial number.
5. Pagination must be done on all the pages in numerical number from Abstract to Reference. Rest of all the pages must have sequential Roman number except the Title page.
6. All the section must **be separated with their title name** and also it should be reflected in **running form within the header portion** on each page of that particular section.
7. The citations have to be written in serial sequence by superscription format in numerical numbers.
8. Referencing must be in **Vancouver format with 12 font sizes**.
9. Spelling, grammar, syntax, and punctuation errors should be checked.
10. Include **publication's first page** (if any) and **authentication** or any other certificates, in **Appendix only** in the last portion of dissertation as indicated in the table of contents
