**Course Outcome:**

At the end of the course, a student will be able to understand:

**CO1:** Students will learn about the Nature Development of law relating to administration and effective means of administrative control. The Focus is on their role in protecting the rights of individuals against abuse of administration and adjudicatory powers of the administration and liability of administrative authorities.

**CO2:** Analyze and predict how unresolved or ambiguous administrative law questions could be resolved by the courts through an analysis of case law and the judicial method.

**CO3:** Identify, explain and apply the principles of administrative law covered in the course.
