About Us:

Jharkhand Rai University (JRU) has been established under "Jharkhand Rai University Act, 2011" by Jharkhand State Legislature as per section 2(f) of UGC Act 1956. JRU is a member of Association of Indian Universities (AIU) and an ISO 9001:2015 certified University. JRU is the only private University in the state of Jharkhand which is approved by UGC and accredited by NAAC both.

JRU is a hub of transformative education which strongly believes in the holistic development of students. The University endeavors to create the best possible learning environment for students through dynamic research, rigorous training and efficient mentorship and are committed to the cause of making higher education accessible to all irrespective of caste, color or creed. At JRU, we create an atmosphere of rigor and discipline through innovative education that helps students to understand all aspects of societal challenges and enable them to works in team to tackle multifarious problems that directly benefit society. With this objective, the university provides the cuttingedge of holistic learning to develop promising youngsters into
leaders of tomorrow with globally relevant, futureready and actionable intelligence. The aim is to make each student proficient in synthesizing/analyzing information and be ethical, socially responsible, and just when making decisions. JRU ensures inclusive and equitable quality education and promote lifelong learning opportunities for all.

JRU aspire to be a vibrant community with a focus on teaching, learning and community-based research. Our faculty members are experts in their fields and professionals in their own right who bring creativity, ingenuity and resourcefulness in the mind of students.

About CMC (T&P):

Career Management Cell (CMC) of Jharkhand Rai University is committed to provide all possible assistance to the students giving them direction and resources to acquire the necessary skills in order to become industry ready. The Career Management Cell optimizes students' talent as per the expectation of the industry and grooms the students to the best of their capabilities. Our aim is to mentor students to choose the right career by giving them proper knowledge, skill and aptitude to cater to the manpower requirements of the Industry. Activities like On-Campus-Placement drives, Job Fair, Pool Campus drives, Group Discussions, Presentations, Mock Interview Sessions, Personality Development Classes, Guest Lectures, Alumni Interaction, Industrial Visits and trainings are all attempts to bridge the gap between the budding professionals and their prospective employers.
