Welcome to
Jharkhand Rai University

Are you prepared to nurture yourself to face the reality of today's workplace? Are you ready to be trained by experienced professors with the industry? Can you be 'the graduate' that every employer wants to hire? Then you are at the right place. Welcome to Jharkhand Rai University (JRU).

JRU Ranchi runs career oriented programs that prepare you to meet the real-world needs of the industries. We provide each student an opportunity that helps them achieve their academic goals. Here on campus, there's a career path for everyone. Find yours at Jharkhand Rai University.

Once you start your college journey at JRU Ranchi, you will be constantly guided by mentors, professors and faculty members who will support you at every step like guiding stars. A strong mentorship program is the hallmark of JRU campus.

Jharkhand Rai University has been established under "Jharkhand Rai University Act, 2011" by Jharkhand State Legislature as per section 2(f) of UGC Act 1956. JRU Ranchi is also a member of Association of Indian Universities (AIU), Association of Commonwealth Universities – London and an ISO certified University, (ISO 9001:2015). The University aims to create a knowledge pool for the State of Jharkhand by serving the needs of diverse communities. JRU continuously strives to provide quality education to its students through dynamic research, rigorous training and efficient mentorship. The University offers Diplomas, Undergraduate Degrees, Postgraduate Degrees and Doctoral Programs in different disciplines. JRU Ranchi is the only private University in the state of Jharkhand accredited by NAAC.

At JRU Ranchi, research and innovation are integral to our goals. This encourages our faculty and students to carry on research in their respective areas of interest. With a focus on solving the needs of local, national and global interests, our research undertakings are interdisciplinary, collaborative and community based.

The spirit of innovation, modernization and student centric teaching – learning approach blended with strong Mentorship Program is the cornerstone of academics at Jharkhand Rai University. The focus on building skills, value-system and character is an integral part of Jharkhand Rai University academic structure. The University focuses on holistic education ecosystem, where the goal is not to make students just work-ready but also good human beings.

We are a vibrant community with a focus on nurturing talent so that every student becomes a leader, pioneer and a trailblazer. Our endeavour is to provide the best possible environment for our students. Hence, we are committed to the cause of making higher education accessible to all irrespective of caste, colour and creed.

Be a part of the BEST. Be a JRUian.

Message from the

Dr. Harbeen Arora Rai

Since its founding in 2012, Jharkhand Rai University has grown to become a flagship, research-led university, known for the excellence of its teaching, its research, and its service to local communities.

Today, thousands of our students are making us proud by carrying the torch of leadership in every field and industry. As we look to the future one thing is certain – a youth empowered with knowledge and skills will be a key resource and will be highly sought-after across all industries. Hence, our goal over the years has been to make quality education accessible to all.

We enable our students with skills that will benefit society and train them to work in fields where they will be valued both for their specialised knowledge, and for their ability to research, communicate and solve problems.

To meet these challenges, we have built strong alliances and partnerships with business, government, and other research institutions. This helps us to ensure the on-going relevance of our academic programmes.

It is time for you to become a part of JRU's history, teaching and research strengths. A vibrant campus awaits you. We look forward to welcoming you to Jharkhand Rai University.

Today we need more than ever global leadership to solve some of the most pressing problems at scale. Only with collective effort, global vision and youth leadership can we address these issues such as poverty eradication, zero hunger, climate change and gender inequality. We need each one of us, each one of you to be an advocate and role model for change.

Together we can.

Message from the Chancellor

Aspirations deserve a place to thrive-and at Jharkhand Rai University, ambition meets opportunity. Here, students are not just recipients of knowledge; they are explorers, creators, and leaders in the making. Every corner of the campus is designed to spark curiosity, nurture growth, and ignite a lifelong passion for learning. Whether you're stepping into higher education for the first time or preparing to shape industries, your journey begins in an environment that believes in your potential.

At Jharkhand Rai University, a committed team of educators empowers students to become tomorrow's leaders through a culture of inquiry, innovation, and research. The campus fosters intellectual freedom-encouraging students to ask questions, develop original ideas, and explore new frontiers of knowledge.

Recognizing that young minds are naturally dynamic, the university upholds education as a transformative force for personal and societal progress. Advancing excellence in teaching and learning remains central to our mission, alongside a strong dedication to cultivating research and meaningful innovation.

In alignment with the National Education Policy (NEP) 2020, Jharkhand Rai University has adopted a progressive academic framework promoting interdisciplinary learning, skill-based education, and holistic development. Our flexible curriculum, experiential pedagogy, and outcome-driven assessment methods are tailored to meet the evolving demands of the global landscape. Faculty development programs and multilingual teaching tools further reinforce our NEP-aligned commitment to inclusive and future-ready education.

Our philosophy reflects a deep commitment to creating impactful opportunities and nurturing socially responsible citizens. As a well-managed and forward-looking institution, JRU serves not only its students and educators but also the broader community and global partners.

In today's rapidly evolving landscape, education must go beyond academic theory and embrace a skill-focused, industry-aligned approach that prepares students for real-world challenges. At Jharkhand Rai University, we recognize this imperative and have embedded practical learning, digital competencies, and 21st-century skills into our curriculum. Through close collaboration with industry partners, hands-on training, and outcome-oriented pedagogy, we ensure that students are not only academically sound but also professionally capable—ready to innovate, lead, and thrive from day one in a competitive workforce.
Guided by our dedicated faculty, staff, and students, we continually launch new initiatives, expand academic horizons, and strengthen our mission—anchored in the belief that learning should never stop.

Through collaboration across disciplines, geographies, and generations, Jharkhand Rai University empowers solutions that advance knowledge and transform lives. Excellence in education, we believe, is not merely an aspiration-it is a pathway to lasting impact.

Prof. (Dr.) Savita Sengar
Chancellor
Jharkhand Rai University, Ranchi

Message from the
Vice Chancellor

At Jharkhand Rai University, we believe education has the power to unlock greatness. Since our inception in 2012, we've been on a bold mission to shape minds that will shape the future. Ourjourney has been marked by excellence in academics, transformative research, and a spirit of innovation that runs deep through every discipline.

JRU stands at the heart of a pivotal moment in Indian education—one defined by the visionary National Education Policy (NEP) 2020. We proudly embrace this opportunity to reimagine learning by embedding NEP's principles of equity, inclusion, innovation, and holistic development across our academic ecosystem.

Our commitment to democratizing education is unwavering. Founded with the belief that quality learning must be accessible to all—irrespective of background or financial constraints—we continue to build pathways where every student can thrive. Through flexible curricula, multidisciplinary exposure, and student-first pedagogy, JRU is leading the way in making education truly inclusive and impactful.

Innovation, modernization, and personalized mentorship form the cornerstone of our academic philosophy. Our robust Mentorship Program ensures that every learner receives guidance rooted in empathy, purpose, and growth. We go beyond employability—we aim to nurture confident, ethical, and socially responsible individuals who will contribute meaningfully to society.

Aligned with NEP 2020's emphasis on 21st-century skills, our curriculum is dynamic, industry- relevant, and entrepreneurially driven—reflecting Indian values with a global outlook. Our faculty act as facilitators, encouraging students to question norms, explore new ideas, and challenge boundaries.

Located in Ranchi—a vibrant and evolving city surrounded by natural beauty—our campus offers a space where academic rigor meets inspiration. Students from across regions and cultures come together, forming a diverse and collaborative learning community that mirrors India's unity in diversity.

At JRU, learning transcends classrooms. Our integrated approach focuses on value-based education, creativity, character-building, and critical thinking—echoing NEP's call for lifelong, holistic learning. Every initiative we undertake is driven by a vision of fostering excellence and national development through student empowerment.

Because for us, students are not just learners—they are nation-builders. It is our privilege to prepare them for life, not just for work.

We invite you to discover Jharkhand Rai University: a place where purpose meets possibility, and where students become the architects of a better tomorrow.

The University provides safe and secure hostel facility to students. The hostel block is built over 50,000 sq. ft area. There are separate hostel facilities for boys and girls. Daily bus services are provided to and from campus making it easier for students to commute.

Classrooms and Seminar Hall:

Well-lit and ventilated classrooms at the University provide students an encouraging and conducive environment for learning and focussing. All the classrooms are perfectly designed with comfortable seating arrangements. In order to make our students competitive we regularly organize national and international conferences, seminars and workshops in the campus. We have a well equipped seminar hall that has been specifically designed for hosting such events.

Infrastructure & Facilities

Computer Lab:

The Computer Lab at the University has more than 120 desktops. All the desktops have seamless internet access. We provide a network of latest computers, adequately matched and supported by a host of printers, scanners, modems and other peripheral devices. Staff Members & students using laptops and smart phones can also benefit from Wi-Fi facility available in the campus.

Internet Connectivity / Wi-Fi Facility

The University has a 150 Mbps dedicated fiber optics connectivity. Our campus is Wi-Fi enabled and the connectivity is available to all the students and staff members using laptops / smart phones.

Hostel Facility :

We at JRU Ranchi believe in providing our students with a friendly ambience which fosters their overall development, both in terms of learning and development. Our aim is to help students not only to live comfortably, but also to balance their time between studies and extra-curricular activities in a better way.

The University provides hostel facilities for both boys and girls. Presently it is capable of serving about 96 boys & 96 girls inside the campus in apartments, ensuring best social life and security for students. The hostel rooms are equipped with 24 hours of power back up and security.

Library:

The University's state-of-the-art library is digital & accessible 24x7 via internet. It is equipped with internet browsing facilities and a reading room as well. Library serves as the backbone to all the academic activities at our campus. The library at JRU ranchi houses more than 25,000 textbooks and a good number of reference materials, journals, magazines, periodicals, e-books and audio-videos materials.

Infrastructure & Facilities

Students' Mess & Cafeteria :

Students' cafeteria is a place where we provide our students with nutritious and healthy food. The dining space has a seating capacity for more than 150 students at a time and provides students a comfortable and hygienic environment. Every student, especially the underprivileged one's can enjoy the canteen facilities at highly subsidized rates.

The cafeteria is spread across 3500 sq. feet area in the ground floor of Academic block for catering to students and the staff members. It is a hang out zone for the students where they relax & unwind and enjoy delicious meals. Our menu offers an extensive selection of everyday favourites and food items like sandwiches, Indian snacks, fruit juices, cold drinks, milk, eggs and beverages including tea and coffee. The cafeteria is operational from 8 AM to 8 PM.

Common Room :

At Jharkhand Rai University we have a common room for both boys & girls, which is quite spacious, well-ventilated and airy. Students are provided with different kinds of recreational activities.

There is a display board where students can express their thoughts through various forms like drawing, painting, poems, stories, etc. The girls' common room is equipped with sanitary dispenser machine & incinerator.

Common room is a place in the University campus that provides a relaxing atmosphere for socialising, enhancement of knowledge pool and recreation.

Teaching Pedagogy

The spirit of innovation, modernization and student centric teaching – learning approach blended with strong Mentorship Program is the cornerstone of academics at Jharkhand Rai University. The focus on building skills, value system and character are integral part of academic system. The University focuses on holistic education ecosystem, where the goal is not to make students just work-ready but also good human beings.

Students in today's dynamic environment should have the ability to collaborate across disciplines and to apply knowledge in parallel areas of expertise. The University emphasizes on transforming from traditional teaching to Outcome Based Education (OBE). The educational framework is based on desired outcomes and defined goals to be achieved by the students. Learning activities are customized so that they challenge more able students and also, support those who need extra guidance.

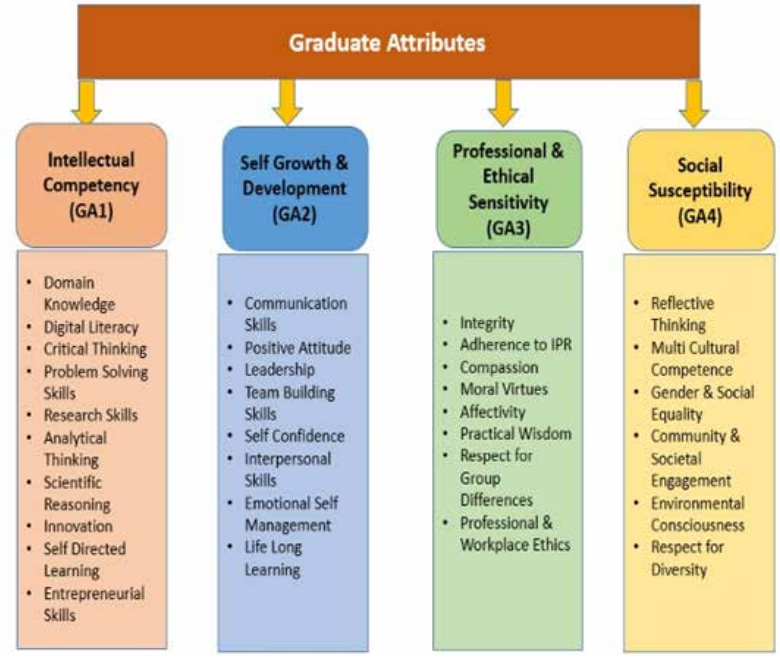

The Learning Outcome of each course is stated using Bloom's Taxonomy which clearly defines the knowledge and skill to be acquired by the student on the completion of the course. The assessment of students (Continuous Internal Assessment & End Semester Examination) are based on the learning outcomes defined for each course & also ensures the consideration of each level of Bloom's Taxonomy.

Every graduate of the University will be developed to possess the following attributes:

1. Intellectual Competency
2. Self-Growth & Development
3. Professional & Ethical Sensitivity
4. Social Susceptibility

Digital Initiative

JRU Moodle Platform

JRU Ranchi has implemented the blended teaching learning pedagogy through its own dedicated online learning management system Moodle (www.jrumoodle.in).

All the academic activities (Lesson Plan/Attendance/ study resources/ Assignments/ Continuous Internal Assessments (CIA)) are performed through JRU-Moodle Platform.

Digital Initiatives by JRU

In tune with the Digital India program, a flagship program of the Government of India, JRU Ranchi has started many plans to make University digitalized. So far, we have adopted and have taken many digital initiatives, which majorly include MOOCs' Swayam Prabha, INFLIBNET, Registration Module, Online Admission process, Examination Form & online result, other academic activities. Jharkhand Rai University has adopted credit transfer through MOOCs courses from SWAYAM (Study Webs of Active learning for Young Aspiring Minds) Platform involving Credit Transfer Mobility as per UGC Credit Framework Regulations 2016. It focuses on "Awareness, Adoption & Promotion" of the MOOCs Courses. Students can earn upto 20% of their credits through MOOCs courses from SWAYAM.

Library is fully automated - Integrated Library Management System (ILMS)

Jharkhand Rai University Library is automated with open-source integrated library software KOHA (Version -19.05).
It's hosted at our in-house service and is accessible by both internal network and external network as well as through mobile network. Library user can access the library bibliographic data, issue/re-issue book, cheek due date book, check their fine, suggest new book, can hold book through OPAC etc online. All subscribed and open access e-resources are accessible through our University website or via library portal.

NAD - DigiLocker (Digital Document Wallet)

As per the recommendations of University Grants Commission (UGC), Jharkhand Rai University has joined the National Academic Depository - DigiLocker System. NAD- DigiLocker is Govt. of India's platform for issuance & verification of documents & certificates. It's a secure platform for storage, sharing and issuance of documents and certificates, making service delivery to the students convenient. Students and their prospective employers can access the records anytime and from anywhere. Now, the University is working on its plan to upload the mark sheets of the pass out and the existing students on the DigiLocker platform.

As per the National Education Policy 2020, Jharkhand Rai University has joined the Academic Bank of Credits (ABC) initiative to facilitate the academic mobility of students with the freedom to study across the Higher Education Institutions in the country, under Multiple entry and exit scheme.

Learning Beyond Classroom

Jharkhand Rai University offers learning opportunities that extend beyond classrooms. Under this framework, the students encounter authentic problems, construct novel hypotheses, test for real solutions, and interact with others to make sense of the world around them. Well-planned, supervised and assessed experiential learning programs have been developed to stimulate academic inquiry by promoting interdisciplinary learning, civic engagement, cultural awareness, leadership, and other professional and intellectual skills.

The University provides cutting-edge holistic learning to develop promising youngsters into leaders of tomorrow with globally relevant, future-ready and actionable intelligence. An effective learning environment is provided to students which meets the needs of all kinds of learners. The objective is to make each student proficient in synthesizing/analyzing information and be ethical and socially responsible while making decisions.

Methods adopted for extending Learning Beyond Classroom:

We at Jharkhand Rai University emphasize on all round development of students. Keeping this in mind we provide students with opportunities that help them in getting familiar with know-how of the industrial world. Such a kind of practical knowledge not only enhances their academic information but also improves their professional skills.

Industry Visits:

We ensure that our students become industry-ready professionals and therefore organize regular industry tours and visits. The purpose of conducting these tours is to give students a practical insight into the functionality of an organization. These industrial visits and tours expose the students to the real world thus enriching their knowledge and experience to a great extent.

Expert Talk by Expert - Mr. Suryanshu Verma, AVP, HDFC Bank Ltd

Guest Lectures :

We organize Guest Lectures and Seminars for our students on a regular basis. Industry veterans and reputed academicians are invited to deliver lectures on various topics. They interact and share their insights and experiences with the students. Through these lectures and interfaces students get a chance to learn innovative methods and approaches for overcoming professional problems and challenges.

Learning Beyond Classroom

Conference :

Students of JRU Ranchi get ample opportunities to present their ideas through papers at various conferences. Speaking at a conference builds their confidence, develops their communication skills and shows a student's initiative. This prepares them for corporate boardrooms. Conferences are a great way to get feedback on ideas and learn from others.

Educational Tour:

Education tours are organised for students to develop their mindset, outlook, personality traits, managerial and entrepreneurial skills. Students get first hand experience when they are on field trips. They also develop team building skills while traveling as a group. It builds their sense of community.

Workshop:

Frequent workshops are a regular part of the curriculum at JRU Ranchi. In these intensive educational workshops, students get opportunities to advance their knowledge on new developments in their fields of study. Workshops are a great way to learn practical skills, techniques and ideas in a short time.
