Event Description

Array of creative events were organized with a view to sensitize the students about the conservation of natural resources and to motivate them to do their bit towards making their planet even more beautiful on 21st of April 21, 2023 at Jharkhand Rai University, Kamre ,Ranchi, Jharkhand . Our university in collaboration with Shubham Sandesh newspaper and Lagataar media conducted various events. Prof. Om Prakash Satyam, Program Coordinator NSS cell and Prof. Manoshi Roy have acted as the conveyor of the event in association with Cultural

Club headed by Prof. Anuradha Sharma and Prof. Amarendra Kumar and Fine Arts club headed by Mr. Soumik Mitra.

The program started at 12 pm onwards with plantation of trees by our honorable Vice Chancellor Dr. Savita Senger and her speech on how we should to conserve our earth and initiative to plant more trees and plants as our Indian culture is customized with rituals celebrating nature. Dr. Piyush Ranjan,our honorable registrar of the university have also shared his valuable thoughts on conservation of natural resources and its impact on environment.

After that competitive events started. Dr. Sabyasachi Chakroborty,(Dean Academics and Student Research ,JRU), Mr. Chandrashekher Singh (Circulation Head, Lagataar media),Mrs. Rashmi Jaiswal(Brand & Promotion head Subham Sandesh and Lagataar media) are appointed as judges to evaluate the events. Students were evaluated on three parameters i) creativity ii) theme/concept iii) presentation.

The first event of poster competition is evaluated around 12:30 pm. Our students have shown immense talent by participating in large number and explicitly describing their presentation to jury members.

The second event of slogan competition is evaluated around 1 pm.Students have exhibited original creative slogans and described very well the concept behind their creativity to the jury members.

The third event of rangoli competition is evaluated around 1:40 pm .Students have crafted artistic rangoli based on earth day very beautifully and explained well the same to jury members.

The last event was Entertainment Ka Dose,which students have enjoyed to utmost. Random questions based on earth day and bollywood were asked to the students and spontaneous responder is rewarded with a prize.

At last Prof. Manoshi Roy delivered the vote of thanks to the media group, honorable Vice Chancellor, honorable registrar of the university

and to the students of Jharkhand Rai University for making this event a success.

Outcome of the Event:

• Students have understood the necessity to conserve environment.

• Students expressed their thoughts through posters, slogans and rangoli.

• Students have understood the procedure to conserve nature and sustainable development.
